15.30: **Thanks and Closing Remarks from Luke Pollard MP**

Organised by Luke Pollard MP, the 2018 Plymouth Brexit Summit once again aims to bring together businesses, key stakeholders and the people of Plymouth to discuss Brexit and how prepared we are for it. Taking place just over a month before the final deal is scheduled to be finalised, it is essential we get the right deal so Plymouth and the far South West are helped not harmed by Brexit and where the opportunities exist, we take them.
